

02/20/2021 3:30 - 4:00 via Zoom

Attendance by School:

- American Heritage Boca Delray
- American Heritage Plantation
- Doral Academy High
- Rickards High School
- Gainesville High School
- Mast Academy
- Lawton Chiles
- Orlando Science
- East Lake High School
- John A Ferguson Senior High
- Buchholz High School
- Seminole
- Cypress Bay High School

Past Events:

- Student Delegates state-wide competition
  - The first virtual competition we had this season
- Integration Bee
  - Different style than we normally do
  - Streamed on Twitch for sponsors to view while it occurred
  - A successful event with good reviews
    - We hope to continue this next year
  - We will consider having another Integration Bee after spring break

Email List & Other Ways to Stay Updated:

- Go to <http://www.famatdelegates.org/> to join our mailing list and stay updated
- The information will be the same as our Facebook posts
- There is also a Discord, state-wide server
  - <https://discord.com/invite/XYVkq3x9>

Scholarships:

- The scholarships will not be occurring this year, and the scholarships from last year did not occur because of COVID
  - This means we accrued possible scholarship money for next year

Squirty Chicken Awards:

- We will not be handing out individual awards because of the group individual tests
- One of our options:
  - Award large squirty chickens for schools per division
    - Ex: X School in X place for Algebra 2

- The issue: smaller schools will have difficulty getting acknowledged, which was one of the best parts of the individual squirty chicken award
- If we end up handing out individual awards, we could have schools nominate students based on individual performance
  - We could also ask schools to nominate the 4 people that best represent their division
  - all the nominees from all the schools will take an individual test to get the squirty chicken award
    - Pro: smaller schools have a chance of still getting a squirty chicken award
    - Con: distributing the test, only one test would determine the award
  - We could distribute several tests, but this would be extremely work-intensive
  - We would need Mr.Snow to really advertise this, making sure all schools are aware that they need to nominate students

#### Officer Applications:

- Submit an application and we will choose the top 3 applicants for each position
- March 15: Application will be posted on Facebook and through the mailing list
- March 31: Application is due
- April 4: Finalists will be posted on Facebook
- Finalists will still give a speech during States
  - Either in-person or on Zoom

#### Ideas:

- A relay-like event where there's a mix of theta, alpha, and mu members from different schools on one team answering questions together
